

Welcome

Welcome to Caboolture East State School. When it comes to schools Caboolture East is truly the Sunshine Coast's best kept secret. Hiding at the end of a quiet suburban street, if you peek between the trees you'll find something very special.

In 2008 Caboolture East State School caters for students from Prep to Year 7. Just under 500 students call Caboolture East their home away from home.

With excellent facilities, large open spaces in which to run and play and small class sizes, you'd hardly believe you're just minutes from the Sunshine Coast.

We're committed to maintaining our supportive school in a caring environment, one that offers your child the very best. Above all else what we continue to focus on is preparing your child for their future.

As Principal of Caboolture East I recently asked my staff "What makes Caboolture East so special?" They replied with:

- * Small class sizes

- * Close and dedicated staff

- * Positive relationships with students and parents

- * Beautiful grounds

- * Quality Education

- * The Community

- * The Atmosphere

- * Everyone knows everyone and looks out for everyone

- * Extra Curricular Opportunities

More important than reading this is the opportunity to come and see why Caboolture East is worthy of servicing your educational needs. I encourage you to come in and see for yourself the opportunities that await your son or daughter at Caboolture East State School. Your investment of time will not be wasted.

Don't hesitate to contact us.
