

New Families Welcome

If you are new to the local area and are looking for a small but progressive school you are most welcome to contact office staff or the principal through email, to arrange an appointment time. We would love to show you around the school, talk to you about our programs and listen to the specific needs you may have for your children. Please have a look at our web site in the first instance, which will give you some idea as to the look and feel of our school, and then take the time to visit us in the near future.
